Subject: money transfer notification

Panayoti:

Payment of \$2,500 was made this morning towards your IOLA acct. as per your last e-mail.

The transfer's reference no. is PIR 301000/1220.

The funds were sourced by CAPITAO MARITIME INC. and the intermediary bank is ANZ GRINDLAYS BANK LTD. (Piraeus Branch) with its correspondent bank being the BANK OF NEW YORK, itself.

(In other words, the funds should reach your account today, or tomorrow at the latest).

Please trace the transfer from your end and let us know how things proceed with the patent firm.

(Any thoughts anyone about the pages I forwarded you in the last few days?)

rgds,

Leandros
